FULLY OPEN

Look a little closer

The Mole Antonelliana gives Torino one of its most recognizable silhouettes. Inside, the National Museum of Cinema presents the moving image through a dramatic architectural setting. The museum and panoramic lift have different ticket arrangements; decide which experience you want before booking.

Something to notice

Compare the building's outline from the street with a detail inside. Notice how architecture changes the museum experience.

A little consideration

Respect barriers and photography rules. Keep voices low, leave displays untouched and give other visitors room to look.

YOUR DAY

Leave a little room

A detail, a feeling, a place to return to...
