Look a little closer

The Belvedere connects Baroque architecture, formal gardens and art collections. Upper and Lower Belvedere are different visitor destinations with separate programs and tickets. Choose your collection first, then leave time to see how the garden links the buildings. A famous painting can begin the visit, but smaller works and changing displays deserve attention too.

Something to notice

Compare the framing of a painting with the framing of a view through a window.

A little consideration

Follow visitor and photography rules, leave objects and historic surfaces untouched, and give other people room.

YOUR DAY

Leave a little room

A detail, a feeling, a place to return to...
