Look a little closer

The Prater includes both an amusement area and a much larger green landscape. Decide whether your visit is about rides, a public walk or a little of each. The Giant Ferris Wheel is a landmark, but the paths and trees offer a quieter experience nearby. Individual attractions have their own tickets, opening calendars and weather restrictions.

Something to notice

Compare the movement of a ride with the stillness of a tree-lined path.

A little consideration

Stay on permitted public paths, leave entrances clear and respect residents, workers and other visitors.
