Look a little closer

The National Museum of African American History and Culture explores American history through African American experiences, creativity and struggle. The building's distinctive outer form introduces a visit that deserves time and care.

Something to notice

Notice how one object connects an individual life with a wider history. Give the story time before moving on.

A little consideration

Follow visitor and photography rules, leave objects and historic surfaces untouched, and give other people room.

YOUR DAY

Leave a little room

A detail, a feeling, a place to return to...
