Look a little closer

Petit-Champlain offers a close-set streetscape of stone façades, small businesses and public pedestrian routes in Québec's lower town. The area rewards attention to doorways, rooflines and changes of level.

Something to notice

Choose one doorway and compare its scale with the building above it. Notice how the street frames the view.

A little consideration

Stay on permitted public paths, leave entrances clear and respect residents, workers and other visitors.

YOUR DAY
