Look a little closer

Québec's Parliament Building gives legislative life a richly decorated architectural setting. Its exterior, gardens and public interpretation introduce different stories about the province and its institutions. Interior visits follow the Assembly's current visitor and security arrangements; an exterior walk does not guarantee admission.

Something to notice

Find a repeated symbol or figure on the façade. Consider what it asks a visitor to remember.

A little consideration

Follow visitor and photography rules, leave objects and historic surfaces untouched, and give other people room.

YOUR DAY

Leave a little room

A detail, a feeling, a place to return to...
