Look a little closer

Notre-Dame de Québec is an active religious place within the upper town's historic streets. Its architecture and decoration can be approached through the relationship between the public façade, the interior and changing uses over time. Give priority to services and visitors seeking quiet.

Something to notice

Notice a detail that suggests continuity and another that suggests change or repair.

A little consideration

Follow visitor and photography rules, leave objects and historic surfaces untouched, and give other people room.
